DIKSHA

NATIONAL DIGITAL INFRASTRUCTURE FOR OUR TEACHERS

India.gov.in

DIKSHA will serve as National Digital Infrastructure for Teachers. All teachers across nation will be equipped with advanced digital technology. Diksha portal will enable, accelerate and amplify solutions in realm of teacher education. It will aid teachers to learn and train themselves for which assessment resources will be available. It will help teachers to create training content, profile, in-class resources, assessment aids, news and announcement and connect with teacher community.

Screenshot of the DIKSHA (Digital India Knowledge Skill Empowerment) portal. The browser address bar shows "diksha.gov.in". The page header includes the DIKSHA logo and navigation links: Home, Dashboard, About, Get App, Contribute, Explore DIKSHA, and Login.

The main content area features a large banner for the "राष्ट्रीय ई-पुस्तकालय (Rashtriya e-Pustakalaya)" (National e-Library) under the Department of School Education & Library, Ministry of Education, Government of India. Below this, a section titled "For Smart Children" highlights the availability of "1000+ FREE, joyful, non-academic eBooks Download and Read Whenever you want".

On the left, there are QR codes for downloading the mobile app: "For Android App Scan Here" and "For iOS App Scan Here". Below these, a statistic shows "40+ Languages".

On the right, a diagram illustrates the "For Lifelong Habit of Reading" initiative, showing a path from a smartphone to a book icon labeled "23" and then to a book icon labeled "13".

At the bottom, a smartphone displays the app interface. The footer text reads: "An Initiative of the National Council of Educational Research and Training (Ministry of Education, Govt of India)".
