

GRIVEANCE CELL AWARENESS PROGRAMME 2018-2019

On October, 18th 2018 a program aimed at raising awareness about the grievance redressal mechanism was organized for the students. They received a comprehensive orientation on this topic. The session covered an explanation of the various activities falling under the scope of the grievance redressal mechanism. Additionally, the different categories of grievances, encompassing academic and non- academic concerns, discrimination based on any criteria, harassment, and more, were outlined and elaborated upon.

Furthermore, students were furnished with information concerning the procedure for submitting grievances, including access to the relevant online link. The timeline for addressing grievances 15 delineated, accompanied by a thorough elucidation of the entire process. Students were introduced to the members of the grievance cell during the orientation. Notably, provisions were made for personal guidance and counselling sessions, and the suitable channels of communication to avail these services were communicated to the students.
