GRIVEANCE CELL AWARENESS PROGRAMME 2020-2021

An orientation program was held on 6th Jan, 2021, aimed at familiarizing students with the grievance redressal system. During this session, there was a clear explanation of the types of activities that fall within the scope of the grievance redressal mechanism. Detailed information was provided regarding various grievance categories, including academic concerns, non-academic issues, and discrimination on any basis, and instances of harassment.

Students were also educated on the procedure for submitting grievances, including access to the relevant online link. The timeline for addressing grievances was clarified, accompanied by an in-depth description of the entire process. Additionally, the orientation introduced students to the members of the grievance cell. Furthermore, provisions were made for personal guidance and counselling sessions, and students were informed about the appropriate communication channels for accessing these support services.
